Heritage Village
Day Tour - April 26, 2019
Al Diar Sawa Hotel Apartments

Al Diar Sawa Hotel Apartments team has spent another familiarization trip to have a hands on experience in one of tourist destinations in the capital. A visit to Emirates Heritage Village at Marina Corniche is considered an informative tool that can be shared to guests who are travelling to Abu Dhabi for leisure and sight seeing purposes. It's an experience that will take each visitor to the Bedouin and cultural heritage of Abu Dhabi. Located at vibrant Marina, Corniche, Emirates Heritage showcases the livelihood, culture and mini-museum that will take you to certain parts off the history of the United Arab Emirates.

The team has enjoyed the trip that can be kept as great bonding memories.
