Al Diar Hotels Fire Drill

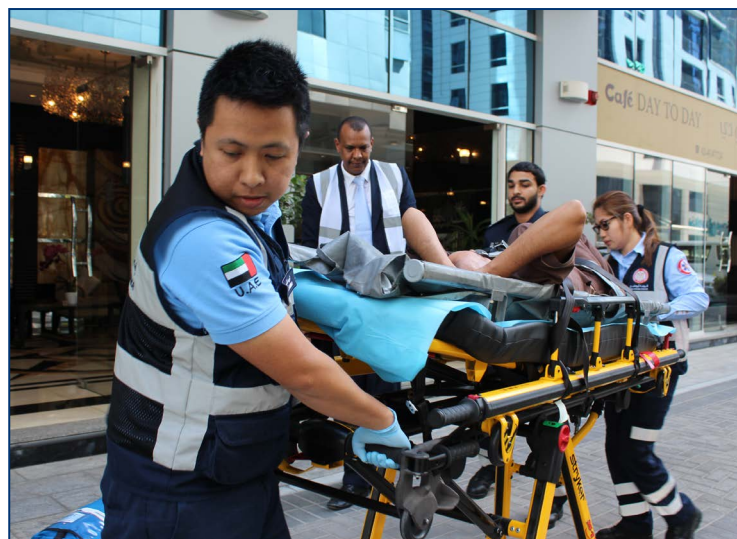

Safety awareness has always been a priority at Al Diar Hotels. The management and staff ensure to take preliminary precautions to protect the guests and colleagues and avoid any hazardous activities or incident within the property premises. However on avoidable circumstances, it is also important to know how to respond on emergency situation. For this, Al Diar Hotels portfolio of properties has been conducting a fire drill on regular basis as part of health, safety and security awareness program.

Al Diar Capital Hotel, Al Diar Dana Hotel, Al Diar Mina Hotel and Al Diar Sawa Hotel Apartments in cooperation with Abu Dhabi Civil Defense conducted mock fire drill to evaluate the efficiency of our colleagues in responding to an emergency situation such as fire events and unexpected calamities.. Al Diar Insider features a glimpse of these important activities during the month of March.
